IT'S TIME TO BUILD YOUR STORY

The journey begins when you open the box. Find everything you need to build your story, and get ready to start building!

Take all the bags of pieces out of the box—you're almost ready to start building.

Pull the tab to take your American Girl mini figure out of the window.

Let's get organized!
Take all the pieces out of the bags and lay them out where you can see them.
Be careful not to lose any.

YOUR BUILDABLE FIGURE

DID YOU KNOW THAT YOU CAN PERSONALIZE YOUR AMERICAN GIRL MINI FIGURES?

Collect them all, then mix and match pieces from each to customize them. Use the different parts and accessories to change their look and style. You can even create totally new characters that look like you and your friends!

Each sold separately and subject to availability.

Meet Grace!

Girl of the Year® Grace Thomas is full of big ideas. She likes to invent new recipes with her friends, and come up with ideas for businesses they can start together. So she's thrilled when she gets to visit Paris and work with her cousin Sylvie in a real French pastry shop.

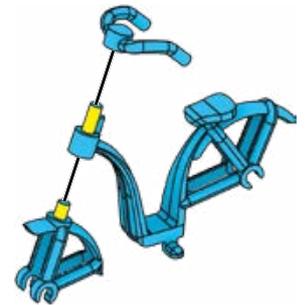

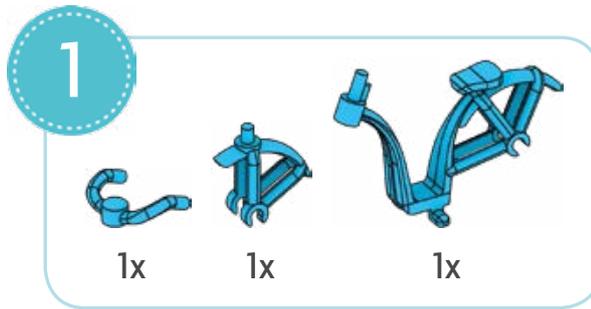

START SMALL, THEN BUILD BIG!

Begin by building the pieces that you'll use in both Grace's Day in Paris and her Holiday Hotel.

Begin with Grace's bicycle, so she can explore!

Let's open with a simple trick! To get a door into its frame, insert the bottom door hinges first. Once they are in place, snap in the other hinges by pushing them into the frame. Easy, right? This tip is open and shut!

BUILDING TIP

It's time to finish the shelves. The key here is to line up the round pegs on top of each other before adding the white brick on top. Be careful, and push gently to keep everything in place. You've got it!

SCENE TO BUILD

Grace's Holiday Hotel

After a busy day, help Grace and Sophie enjoy an evening treat in the hotel restaurant. Check them in at the hotel lobby, then send them to a cozy room with bunk beds. Sweet dreams, girls!

Grace's Day in Paris

Grace Thomas is not afraid to try new things.

“The best way to get to know my new neighborhood is to explore it—on two wheels!” says Grace. She doesn’t speak much French, but it doesn’t take long to figure out the shop signs. *L’Épicerie Fine* is a fancy market and *La Crêperie* serves delicious thin pancakes called *crêpes*.

One day Grace is out with Sylvie when they see a black-and-white puppy by the sidewalk café. “Look!” says Grace. “I’ve seen that French bulldog wandering around for a few days. I’ve been calling her ‘Bonbon’—she looks tough on the outside, but she’s sweet on the inside. I wonder if she needs a home?”

Grace rises to every challenge.

It's not always easy being in a new place. Even talking with Sylvie was hard at first! But Grace learns that trying new things can be worth it. "If I hadn't left home, I would have missed so much," she says to Sylvie as they play with Bonbon. "Like getting to know you as a friend—and meeting Bonbon, too!"

BUILDING TIP

Sometimes building more slowly will let you finish more quickly! Take your time lining up the awning poles. Hold both poles, one in each hand, and connect them at the same time. That will keep the structure secure while you connect it to its base. Well done!

Grace's Holiday Hotel

Grace Thomas is ready for adventure.

Paris is different from what Grace is used to, but different can be fun! Grace loves the sidewalk cafes and little shops. Today she finds Sylvie sipping hot chocolate at a café outside a small hotel. On the table is a cheery vase of fresh tulips.

“This place looks wonderful,” says Grace, peeking in the window.

“Look—they bake cakes and pies, too.”

“This is one of my favorite spots,” says Sylvie. “And they are so busy that they’re hiring junior assistants to help out. Do you want to apply?”

Grace puts passion in every project.

Grace and Sylvie love helping out at the hotel. They greet customers at the café. They shop for flowers to brighten the bedrooms and outdoor tables. “Today we get to do my favorite thing,” says Grace. “Help the chef in the kitchen! I wonder if she would let me bake one of my special recipes?”
